

Tour to Lisbon: 12th World Gymnastrada:

After our tour to Galicia some of the members joined the Namibian team in Lisbon. The purpose of this was to participate in Lisbon for the 12th World Gymnastrada. Over 45 countries participate during this week and this for us were a total new experience, since we combined the music and dancing. A special program was developed and written for this purpose and we represented Namibia with a Namibian theme.
